

**God is love.  
That is, beginning and ending  
of human life is within God.**

**Dietrich Bonhoeffer**

Very sad we heard about Giovanni Franzoni's parting. He was a warmhearted companion of We are Church International from the very beginning.

The wonderful welcome we received from the St Paul's community when the founders of We Are Church International joined them for Eucharist and a wonderful lunch is still in mind.

Those of us who met him he during several activities of We are Church International in Rome are grateful to have met him, who gave an example what true Christian community should be.

We will remember him.
